

Congratulations to the Graduating Class of

2024

The world is theirs to conquer!

At Sacred Heart School of Halifax, our graduates are on their way to big things! That's because they are among the most academically prepared students in the country thanks to our rigorous academic program that includes the acclaimed Advanced Placement (AP) Program. And because our Five Goals have provided them with a rock-solid foundation and moral compass that includes a commitment to leadership, social justice, and community service, we know they will make amazing contributions to their post-secondary institutions, our communities, and the world, just like they did here. Because while the world is theirs to conquer, it's also theirs to make better.

We're thrilled that over **65%** of our graduates received a scholarship or bursary resulting in almost **\$700,000** in monetary awards to excellent universities around the world, including:

- Queen's University
- Dalhousie University
- Baylor University
- University of Waterloo
- Western New England University
- University College of Dublin
- McMaster University
- Mount Allison University
- and many others.
